"The Member States of the European Union have decided to link together their know-how, resources and destinies. Together, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms. The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders."

"This publication was produced with the assistance of the European Union. The contents of this publication are the sole responsibility of the Commissariat for Refugees and Migration and the Swedish Migration Agency, the Immigration and Naturalization Service of the Netherlands and Ministry of the Interior of the Republic of Slovenia and may in no way be taken to reflect the views of the European Union".

What is Twinning

Twinning is a cooperation tool that enables actors in the public sector of the EU Member States to engage in the development of other countries' public administrations. Twinning aims at upgrading and/or modernizing the institution in a beneficiary country through training, reorganization and approximation of legislation to EU standards.

Funding

The project is funded by the European Union within the IPA programme with an amount of € 1.000.000.

Project data

Start date: 07/10/2019
Duration: 12 months

Beneficiary Institution

Commissariat for Refugees and Migration

EU Member State Partner Institutions

Swedish Migration Agency (Lead partner)
Immigration and Naturalization Service of the Netherlands (Junior partner)
Ministry of the Interior of the Republic of Slovenia (Junior partner)

The objectives

The overall objective is to contribute to strengthening the capacities of the Commissariat for Refugees and Migration and other relevant institutions for implementation of migration and asylum policy and procedures in line with the Union Acquis.

Components

Component 1 – National legislation adjusted with EU legislation

The component aims at assessing and further adjusting the current national legislation to the directly applicable EU legislation in order to avoid collision between national legislation and EU legislation.

Component 2 – Increased capacity of institutions to fulfil obligations arising by EU accession

This will include capacity-building activities for civil servants in charge of law enforcement, implementation of legislation, recommendations and requirements for the absorption of EU Funds dedicated to refugees and migration.

Component 3 – Improved national coordination mechanisms and cooperation with EASO and other relevant EU agencies and networks

This component will contain measures on establishing cooperation with agencies and networks in the field of migration and asylum.
